2ND-CYCLE STUDY PROGRAMME:

Location: Maribor
Duration: 2 years, 120 ECTS

1. EUROPEAN LEGAL STUDIES

Selection criteria in the event of limited enrolment:

In accordance with Article 41 of the Higher Education Act, if the number of applications exceeds the number of available enrolment places, candidates shall be ranked according to:

- grade point average (80%) and
- grade awarded for the thesis (20%).

Transfer criteria:

In accordance with the transfer criteria, candidates may transfer to the 2nd-cycle (master's) study programme in *Law* from 2nd-cycle (master's) study programmes in the field of law (0421) or an affiliated field – business and administration (0488), social sciences (0388), and security services (1032) – provided they lead to the acquisition of comparable competences and that at least half of the study obligations under the previous study programme relating to compulsory courses of the new study programme are recognised.

Under the recognition procedure, fulfilled study obligations that may be recognised fully or partially are identified, and study obligations required for completion of the new study programme are laid down.

Mode of study: part-time

The part-time study programme is implemented in a slightly different manner – a series of classes of a course is followed by an exam; then a series of classes of another course is conducted, and so on. Part-time students attend classes on Thursdays and Fridays in the afternoon. Considering the scope and complexity of courses, the implementation schedule is determined at the beginning of an academic year. Courses incorporate all organized forms of indirect teaching and are implemented in the amount of up to 30 % of contact hours intended for full-time students.

Part-time studies are financed with contributions of organizations or by students themselves. The tuition fee for the 2020/2021 academic year shall be determined by the Management Board of the University of Maribor and published in July 2020.

Part-time studies shall be implemented in Slovene and English.
