## 5. Conclusion

# 1. Questionnaire

- Partly problems with translation/different systems
- High number of participants

## 2. EOPP & ESCP

### a) Case Studies

- Independent work
- Research on national topics
- More possibility for cross-border exchange would have been nice to improve practicability

## 2. EOPP & ESCP

### b) Training Seminars

- Number of participants
- Diversity of participants (majority lawyers)
- Engagement

## 2. EOPP & ESCP

### c) Feedback

- Practical use? → low number of EOPP/ESCP cases
- Training style? → senior practitioners

## 3. Joint Seminar

- Communication
- Workload
- Covid-restrictions

## 4. Practical Outcomes

- Communication
- Covid-restrictions → not enough flexibility
- Approach → academics lecturing practitioners on practical implementation
- Idea → focus on young professionals/law students
- Implication into work → no direct reward (especially for lawyers)
- Interaction → little practical use of Regulations

## 4. Conclusion
